

Harvest Valley Spirit Team

Our mission is to provide the community of Harvest Valley students a safe and wholesome dance and cheer experience while helping to promote school spirit and pride. We are a squad of 23 students grades 4th through 5th grade and this year we will have our first ever student mascots. The spirit team will be meeting every Tuesday from 2:30-3:30 and performances will be at our monthly flag assemblies, multicultural day, and college and career day.

Harvest Valley Student Athletes Club

Our mission is to teach the value of working together toward common goals through team activities. We will be teaching students grades 3rd through 5th grade, the fundamentals of basic sports skills to build up their confidence and help them find the value of playing on a team. We will be providing after school sports such as Ultimate Frisbee and Flag Football, which will be from October to December. Basketball and Volleyball, December to February. Soccer and Kickball will be taught from March to May. Practices will be every Monday from 2:30-3:15. At the end of every season we will be holding a small tournament with teams we have created.

Harvest Valley STEAMers

Our mission is to provide an environment where creativity, exploration and imagination can be explored in a STEAM (Science Technology Engineering Art and Mathematics) setting, utilizing coding, robotics and other Science, Technology, Engineering, Art and Mathematics activities.

The Harvest Valley STEAMers is a technology based club, that will focus on many aspects of STEAM. To start and throughout our year, we will be exploring Coding through many different outlets, including a virtual robotics coding competition. We will also focus on the many different practical applications of coding that impact our daily life.

Also as part of our club work, we will be working on different STEAM based projects throughout the year. Our goal will be to integrate technology with hands on activities, which focus on the elements of STEAM, that have real world application.

The Harvest Valley STEAMers will meet each week on Tuesday, from 2:25 to 3:30.

We are looking forward to a fun filled year of creativity and imagination.

Mr. J.B. Greenberg
