Dear Parent or Guardian:

Romoland School District is participating in the Community Eligibility Provision (CEP) for the 2020-2021 school year, which provides a healthy breakfast and lunch at **NO CHARGE** to all enrolled students each day.

This will affect the following schools:

Romoland Elementary and Harvest Valley Elementary

Please fill out the attached Household Income Data Survey Form and return the completed form to your student's school. All families are required to complete a form for the 2020-2021 school year regardless of your family's income level. By filling out the form, this will help ensure that your student's school continues to get the full educational funding needed for your student's education. **Only one form is required per household.**

*Families with students attending Ethan A. Chase Middle School must submit a meal application for the meal program to receive Free or Reduced benefits for their students.

If you have any questions, or need help completing the form, please contact Nutrition Services Department at (951) 926-9244, ext. 1262 or email lhernandez@romoland.net.
